

Half Day / Full Day

UK Familiarisation Driving Course (FM-006)

**FLEETMASTER
GROUP**

COURSE OBJECTIVES

The course takes place at any suitable location selected by the booking manager, all that is needed is a meeting point, the training is practical on-road so takes place off site. Foreign nationals are especially vulnerable when encountering UK driving conditions with little experience. Training supports drivers to have an increased awareness and practical skills to operate safely on UK roads, focussing on the differences in driving techniques and rules of the road from the origin country of driving licence. Training is the first step in ensuring colleague safety and road risk is managed due to the potential for incident posed by inexperienced drivers on UK roads
