FM-024 – Driving Licence Upgrade
(Starter Pack)

FLEETMASTER Driving Academy

Product description

The Driving Licence Upgrade starter pack covers the elements of obtaining your LGV licence upgrade prior to your practical training and test. The starter pack includes:

- **CPC Module 2 & 4 Initial Drivers CPC (re-test also available to book if required)**
- **LGV Theory Test (re-test also available to book if required)**
- **LGV Hazard Perception Test**
- **Driver Medical**
- **Digital Tachograph Card Application**

The above parts of the pack can also be booked individually if you have already completed certain parts of the upgrade process.

Who is this pack for?

Drivers looking to obtain an LGV licence that require the parts of the licence acquisition process prior to the practical training and test.

FLEETMASTER Driving Academy

Part of

FLEETMASTER GROUP

The medical and test elements of the starter pack will be booked at a medical or test centre convenient to you based on your location.
