

FM001c – SAFE Driving

**FLEETMASTER
GROUP**

Course description

The course takes place at any suitable location selected by the booking manager.

The SAFE Driving training is designed to specifically improve vehicle operators knowledge and practical skills of safe operations of their vehicle. The training has been designed to equip drivers with the knowledge and practical skills that they can apply to their daily driving to reduce incidents and drive-up safety and performance reducing risk and the costs associated with incidents.

Colleagues will further their skills in eco driving techniques, speed and hazard awareness, dynamic risk assessment, slow manoeuvring and safe city and residential driving.

Delivery is handled by our nationwide team of expert trainers, who use a blend of theory and on-road practical training to identify areas of concern in driver behaviour, advise on ways to improve and demonstrate a range of advanced driving and defensive driving techniques.

Digital assessment reports are accessible to employers post training and provide the detail of the training and a risk rating to help employers manage their ongoing risk removing the unknown.

Who is the course for?

Vehicle operators who have been identified for Advanced and/or Defensive driving training in line with the company risk strategy.
