

Course description

We have various eLearning courses available to help aid driver training and refreshing knowledge. Some of the courses we have available are, but are not limited to;

- New Driver Induction (ideal for a new employee/driver)
- Electric Vehicle Familiarisation
- Defensive Driving
- SAFE Driving
- Speed Awareness
- Vulnerable Road Users
- Slow Speed Manoeuvring
- Hazard Perception
- Digital Tachograph Use
- Transport Manager Mock Tests
- Vehicle Setup and Safety
- Winter Driving
- Bespoke Courses

Who is the course for?

This can vary dependant on the driver. The New Driver Induction course is perfect for new employees or those who have just recently passed their driving test.

There are also multiple courses available for drivers involved in an incident/event.
