FM-018 – Driving Licence – Category C1+E

FLEETMASTER Driving Academy

Course description

Upskill your C1 (7.5 tonne) driving licence, to allow you to tow a trailer as well enabling you to tow a trailer over 750kg up to a combined maximum authorised mass (MAM) of 12,000kg.

The 2.5-Day Category C1 + E training course will provide you with all the additional skills required to take your driving to the next level, by meeting the standard to pass the DVSA test, plus the experience and knowledge of how to efficiently drive a Category C1 + E vehicle professionally, including how to successfully manoeuvre the vehicle and the coupling and uncoupling procedure.

Training is held at our own accredited DVSA test centre and will provide colleagues with all the skills required to pass the DVSA test, plus the experience and knowledge of how to efficiently drive a Large Goods' Vehicle as a fully qualified driver.

- Upgrade your Category C1 licence to allow you to tow a trailer. (The combined weight of both cannot exceed 12 tonnes)
- Eligible candidates must be aged 18 or over and have a full Category C1 licence.
- Upskill your driving ability and increase career opportunities within the logistics industry.
- Established DVSA testing centre with fully qualified driving instructions on the National Register.
