

LGV LICENCE ACQUISITION

**FLEETMASTER
GROUP**

OVERVIEW

Fleetmaster are industry experts in working with fleets to ensure that operator skill is maintained to an exceptional level and safety is at the heart of the driving operation. The Fleetmaster Driving Academy approach to training is to work in true partnership with employers, to plan and implement effective national training strategies, that maximise benefit whilst minimising the costs and disruption to operations.

Whether you are an individual with a desire to drive Large Goods Vehicles looking to start your career in logistics or an employer looking for sustainable methods to support your driver population, Fleetmaster instructors are DSA registered with the pedigree and proven track record to assist you on your journey to becoming a professional driver.

CATEGORY C (CLASS 2) RIGID

If you hold a category B car licence then this course will enable candidates to drive a Category C (Class 2) rigid vehicle. Our team of experienced instructors will ensure the candidate is confident, upskilled and ready to take the test at our own test centre on the final day of the course. A report will be issued to you at the end of the test by the examiner. In order to take your Category C licence training you must first of all gain your LGV provisional licence.
