

LGV LICENCE ACQUISITION

CATEGORY C+E (CLASS 1) ARTICULATED

This course is for candidates who hold their category C (class 2 licence) but wish to upgrade to drive articulated vehicles. Our team of experienced instructors will ensure the candidate is confident, upskilled and ready to take the test at our own test centre on the final day of the course. A report will be issued to you at the end of the test by the examiner.

GOT A CATEGORY C OR C+E LICENCE BUT NEED REFRESHER PRACTISE?

Lacking in confidence? Haven't driven at Category C or C+E for some time? Have a new job and need to pass an assessment?

Fleetmaster can offer refresher training by the hour with a full assessment report and feedback issued after the training.

CATEGORY C+E (CLASS 1) ARTICULATED

The driver training course will include:

- On the road driving training with an ADS instructor, this can be either 16 or 20 hours depending on your ability
- Coupling and Uncoupling
- Manoeuvring
- Warm up session before your test

Eligible candidates must be:

- Aged 18 and over
- Fully licensed to drive a Class C vehicle
- In possession of a valid provisional C+E LGV licence (usually automatically added to a drivers licence when passing the Class C test)
- Physically fit

Got a C+E licence but need Refresher Practise?

Lacking in confidence? Haven't driven at C+E for some time? Have a new job and need to pass an assessment? Fleetmaster can offer refresher training by the hour with a full assessment report and feedback issued after the training.
