FM-040 – Operator Licence Awareness Training

Course description

The Operator Licence Awareness Training (OLAT) is designed to help transport professionals at any level develop an active role in ensuring legal compliance within their operation.

It provides an overview of the operator licensing system and details the fundamental undertakings that apply to operators.

Who is the course for?

Anyone who wishes to update their transport legislation knowledge to the latest standards, those who are committing to their continued professional development as a transport professional, candidates preparing for a full Transport Manager CPC, and operators who are required to complete refresher training as advised by a Traffic Commissioner.

Key facts
